Best & Show

2-10lbs 11-25lbs 26-50lbs 51-75lbs 76-100lbs 101-125lbs >125lbs

user can drag an image to the trash if they want to delete

same layout for all tabs (10 images max). I don't want user to scroll up and down. Since it is called Best & show, shelter will have to pick the best one
